RE: SG-12-00005 Schnebly Segregation Application

Kittitas County Code 17.08.327 specifically stipulates that "*Identification of intervening ownership shall be processed consistent with Kittitas County Code 17.60B Administrative Uses.*" Consultation with the Prosecuting Attorney's Office on 4/26/2011 has determined that the utilization of the segregation process and criteria (as has been done up to the present time) is not consistent with this section of code. Until such time as a new or modified application form and fees can be developed, staff will process these applications as submitted, but under a criteria and process consistent with KCC 17.60 and 17.08.327.
