Hey there-

See attached site plan example. I also attached the outline of your property.
Please be sure the site plan is to scale and has all buildings, well, and septic labeled. There's a site plan template you can use if you need help with the scaling portion.

Thanks so much!
Have a good weekend ☺

Good Afternoon,
We have received an application for a shoreline exemption for 450 Teanaway Acres. After reviewing the submitted paperwork I noticed that you are missing a scaled site plan showing the existing property and proposed project. The planner who processes these applications is away until Tuesday but once he returns I will have him check over the rest of the submittal package to verify we have

everything else.

Thank you,

Chelsea Benner
