Permit fees are paid prior to processing. If you list yourself as the authorized agent, but then list Grant PUD as the other contact person, it will work out OK , I can then keep everyone in the loop. The parcel number should be the one where the actual activity is taking place.

Great thanks. I put Ellensburg Boat Club c/o Nicole Ogan as the landowner. Would I also be the authorized agent or GCPUD? The proposed trail is technically on PUD property. Should I put our (EBC) land information for parcel number etc? Lastly, do I make the \$830.00 payment today or when the application has gone through and the permit is issued?

Thanks!
Nicole

I look forward to processing the exemption. I will get started on it as soon as it is processed by the front desk.

Hi Dusty,

Thank you for your time yesterday. Sheryl from GCPUD says they do not have anyone on staff that can delineate the OHWM and measure the trail out. She says that we would need a surveyor to do that. So that being said I'm thinking the easiest route at this point is to go ahead with the proposed map/trail and complete the shoreline exemption permit application. I could fill it out and bring it by to you today.

Thanks,
Nicole
