

### General Description

The Cabins at The Farm plat consists of 39 detached resort residential vacation homes spaced on 11.22 acres. The collected raw wastewater from this development will be conveyed by means of on-site gravity to Utility Complex #16 River Ridge Lift Station located southeast of Kokanee Loop and Kokanee Circle in the River Ridge II plat. From this location, it will be pumped via a force main sewer to the existing force main sewer in Swiftwater Drive. For more information, see the Conceptual Utility Exhibit. Wastewater will further continue to off-site gravity sewers to the Wastewater Treatment Plant (WWTP) in Cle Elum.
