Andy,

There is no timeline set currently on the Wildcat plat since I sent you those additional follow up 2021 comments (The original was due August 3 from the original 2008 comments). If you can, please have all comments back to be by **5:00 PM on September 17, 2021**. If you need more time than that, please let me know and request an extension.

The Timothy Short Plat has a deadline for response comments of this **Friday September 3<sup>rd</sup> at 5:00 PM**. If you need more time on that one as well, please let me know and request an extension.

Let me know if you have any other questions.

Hi Jeremiah,

I would like to comment on the Wildcat comments. Is there a deadline for me to comment on the Wildcat. It is taking me some time to get up to speed on this Plat as my Dads started this one and the Tiger plat. He passed away in May so I have been digging through his files.

Best regards,

Andy Schmidt

Andy,

I asked for some follow-up comments from agencies that submitted comments back in 2008. Public works did find their comments from back in 2008 and I have attached them to this e-mail as well as a few other follow up comments they had. I have also attached follow up comments from the Kittitas County Fire Marshal in regards to Kittitas Valley Fire and Rescue comments from back in 2008 for fire requirements as well as recent comments regarding well locations for both plats from Public Health. Please let me know if you would like to respond to any of these comments. If you have any specific questions, you should contact the agencies directly.

Thanks.
