Subject: Plat Extension Approval – Akehurst Plat (LP-08-33)

To all concerned,

Kittitas County Community Development Services (CDS) received your Plat Extension application request (PE-16-00004) on April 14, 2017 requesting a one-year extension for the Akehurst Plat (LP-08-33). Per Kittitas County Code 16.12.250 Expiration “...Any applicant who files a written request with the administrator within 30 days before the expiration date, showing that the applicant has attempted in good faith to submit the final plat within the time period and that the associated fees are paid, shall be granted a one-year extension. Such an extension can be requested and granted five times.”

This project was granted preliminary approval on September 15, 2009. Kittitas County grants your extension request based on the reasons provided related to market conditions and capital. The expiration date for the Akehurst Plat has been extended to **May 15, 2018**. Should you require another plat extension in the future, your application must be submitted prior to 30 days of expiration to Community Development Services for consideration.

If you have any questions, please feel free to contact me.

Sincerely,

Jeremy Johnston
