Greetings. I just would like to check in and see if the City has had an opportunity to look this over. I had been under the impression that I neglected to notify the city of Kittitas, but I have an email on my server dated 08/30/2016 showing that I did notify the city, but I have yet to get any response. I am hoping to finalized this combination as soon as possible. Please let me know tomorrow if you can.

Thanks,
