

I would like to combine parcel # 089434, 079434, 10922, 10923 into 1 parcel number. All parcels are owned by the same person. Property is located in the Township of Ronald and served by water and sewer. We would like to add a new 3car garage next to our existing house located on Parcel# 089434 but to get the necessary 15ft property line set back then a parcel combination with 079434 would be necessary. Total area after combination is .84acres or 36,590 ft.
