Hi Bradley,

In response to the comments received from the Department of Ecology, this project will obtain Construction Stormwater General Permit Coverage prior to construction. WSDOT also reviews Erosion and Sediment Control Plans for an accurate description of existing conditions and site Best Management Practices prior to acceptance.

We have responded to the Colville Tribe's comments by email on a separate thread and have no further responses to comments received at this time.

Thank you,  
Kelsey

Good Morning,

Please see the attached correspondence regarding your Public Agency & Utility Exception application (PAU-23-00001 WSDOT I-90 Wilson Creek Bridge). A physical copy of the correspondence will be placed in the mail. Please let me know if you have any questions.

Thanks,

Bradley
