RE: No. 5 Canyon PUD (RZ-09-00001)

Dear Mr. Valoff:

Thank you for your letter dated January 10, 2011 granting Central Cascades Land Company an extension until October 15, 2011 to provide the County with additional information regarding the above-referenced application.

We are writing to request an additional extension until we meet with the County to discuss the recent Supreme Court ruling on the County's compliance with the Growth Management Act, as well as issues associated with vesting of a PUD rezone and initial plat. Both of these issues are pivotal to the scope of the proposed project and consequently, the scope of additional environmental information requested.

We would like to schedule a meeting with you in the next few weeks to discuss these issues and identify the best way to move this proposal forward.

Thank you for your consideration of this request.

Sincerely,

Anne Watanabe
