**Notice of SEPA Action
Zentz Rezone and Short Plat
(RZ-13-00001 and
SP-13-00003)**

NOTICE IS HEREBY given that pursuant to WAC 197-11-340, Kittitas County Community Development Services did on July 30, 2013 issue a Final Mitigated Determination of Non-Significance (MDNS) on a project action from Teresa Zentz for a Rezone and associated Short Plat.

The lead agency for this proposal (Kittitas County Community Development Services) has determined that the proposal will not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030 (2)(c) and WAC 197-11. This decision was made after review of a completed environmental checklist and other information on file with the lead agency.

A Notice of Application and intent to utilize the optional DNS process was issued and published in the legal newspaper of record on April 19, 2013 establishing a 15 day comment period for all interested persons, parties, and agencies. No comments were received regarding SEPA. As per WAC 197-11-340 & 390 the lead agency is issuing the Mitigated Determination of Non-Significance (DNS) for this proposal. The complete application file (RZ-13-00001 Zentz) may be viewed at Kittitas County Community Development Services, or on the Web at: <http://www.co.kittitas.wa.us/cds/current/> under "Rezones".

Any action to set aside, enjoin, review, or otherwise challenge such administrative SEPA action on the grounds of non-compliance with the provisions of chapter 43.21RCW shall be commenced on or before August 14, 2013 at 5:00 p.m. to the Kittitas County Board of Commissioners, Rm. 108, County Courthouse, Ellensburg, WA 98926.
