Pat,

Attached is one additional comment that was not included in the transmittal of comments, but was received prior to the 5pm deadline of November 13, 2015. It was sent to our CDS user email box and was forwarded to me yesterday. You will see on the email chain that Mr. Olsen did submit his comment at 12:54pm on Friday, November 13th, therefore it is accepted as an on-time comment.

My apologies for the delay of this comment letter to you.

Regards,

Lindsey Ozbolt
