Subject: SD-14-00004/PF-14-00002 – Canyon Interpretive Center  
SR 821, milepost 24.4 right

We have reviewed the proposed project and have the following comment.

The proposed project is adjacent to State Route 821 (SR 821), a managed access Class 3 facility with a posted speed limit of 50 miles per hour. The subject properties are currently served by two grandfathered approaches at mileposts 24.40 and 24.47 right.

These existing approaches require updated permits. The proponent is required to contact Mark Kaiser of the South Central Region Office at (509) 577-1668 to update the permits.

Thank you for the opportunity to review and comment on this proposal. If you have any questions regarding our comments, please contact Rick Holmstrom at (509) 577-1633.

Sincerely,
