Conference Call Numbers & Instructions **(360) 709-8065 or (509) 577-1776** **access code 1082515**

- The originating party calls either of the conference call numbers, and enters the seven digit access code when prompted.
- They will hear, "Welcome to your conference call, you are the first to join."
- All other parties call either of the conference call numbers, and enter the seven digit access code when prompted.
- They will hear, "Welcome, your conference call is already in progress." (A tone sounds every time a new party joins the conference.)
