"Building Partnerships - Building Communities"

FINAL SHORT PLAT OR PLAT APPLICATION

Please type or print clearly in ink. Attach additional sheets as necessary. The following items must be attached to the application packet at intake or the application will not be accepted. Pursuant to RCW 58.17.140 "Final plats and short plats shall be approved, disapproved, or returned to the applicant within thirty days from the date of filing thereof, unless the applicant consents to an extension of such time period;" therefore Kittitas County must have all of the required attachments to accept the final plat/short plat for review to meet the required timeframes. For plats that require the Board of County Commissioners (BOCC) signature, all documents must be uploaded for consideration approximately one (1) week in advance of the BOCC Agenda Session Meeting. This leaves three (3) weeks from the date of applicant submittal for County Staff to review and sign the plat.

REQUIRED ATTACHMENTS

- One paper copy of Final Short Plat/Plat drawings meeting all final drawing requirements (reference KCC Title 16 Subdivision Code for plat drawing requirements) and RCW Title 58 along with WAC 332-130.
 - May be submitted on polyester film, however please note these may need to be reprinted based on staff review (this is not required for initial review)
- Project Condition Compliance Document that responds in writing as to how each condition of preliminary approval has been met, including supporting documentation as necessary (Example Attached).
- □ If this is a plat associated with a Planned Unit Development, the Final Development Plan <u>must</u> be approved through Resolution by the BOCC prior to submittal for final plat/short plat review.
- □ Recent Title Report, within 90 days of final plat submittal.
- Lot Line Closures

Ľ

- D Proof of water sufficient to meet Kittitas County Department of Environmental Health requirements.
- Any other items specifically required by conditions of preliminary approval.
