RE: SPF-19-00004

Thank you for the opportunity to comment on the above mentioned project regarding water and septic requirements to comply with Kittitas County Public Health Department's Environmental Health requirements.

Findings

On Site Sewage

- The SPF-19-00004 Keno Short Plat Division project will be served by approved individual on-site sewage systems. There are no additional requirements at this time.

Water

- The SPF-19-00004 Keno Short Plat project will be served by approved individual or shared wells for lots 1- 3. Lot 4 is defined as open space so no water access is needed for lot 4. Water mitigation certificates have been issued. There are no additional requirements at this time.

A Additional Information Required

No information is required for further review prior to any determinations leading to recommendation for approval.
