RE: Duke Short Plat, SP-07-167

Dear Ms. Braniff:

The Bonneville Power Administration (BPA) has had the opportunity to review the Duke Short Plat. A check of our records indicates that this proposal will not impact our transmission line corridor in that location so BPA has no objections to the approval of this request.

Thank you for the opportunity to review this application.

Sincerely,

A handwritten signature in cursive script that reads "Lesli Olson".
