## REISSUANCE SEPA MITIGATED DETERMINATION OF NONSIGNIFICANCE

- Project:** Kohl Short Plat (SP-08-17)
- Description:** A 4-lot Short Plat on approximately 13.18 acres zoned Rural 3.
- Proponent:** Alex Kohl  
3451 177<sup>th</sup> Ave NE  
Redmond, WA 98052
- Location:** Southeast of the City of Cle Elum, north of Westside Road on Chelan Lane, Cle Elum, WA. 98922, and is located in a portion of Section 05, T19N, R15E, WM, in Kittitas County. Assessor's map number 19-15-05052-0004.
- Lead Agency:** Kittitas County Community Development Services

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

The lead agency for this proposal has also determined that certain mitigation measures are necessary in order to issue a Determination of Non-Significance for this proposal. Failure to comply with the mitigation measures identified hereafter will result in the issuance of a Determination of Significance (DS) for this project. These mitigation measures include the following:

### The following conditions shall also apply based on the project specific analysis:

#### I. Transportation

- A. The applicant shall be responsible for meeting or exceeding all conditions and requirements set forth by the Department of Public Works, as listed in the attached memorandum.

#### II. Water

- A. Activities such as road widening, stump pulling and clearing, grading and fill work and utility placements may require an NPDES Construction Stormwater Permit issued by the Department of Ecology prior to start of construction. This permit requires the preparation of a Stormwater Pollution Prevention Plan. It is the applicant's responsibility to contact the Department of Ecology.
- B. Withdrawals of groundwater on the subject property are subject to the rules and regulations adopted

and administrated by the Washington State Department of Ecology; this includes the use of water for irrigation. Legally obtained water must be used on-site.

- C. Metering shall be required on all residential well connections and metering results shall be recorded in a manner consistent with Kittitas County and Washington State Department of Ecology requirements.
- D. The cumulative daily ground water withdrawal for all lots of the Kohl Short Plat (SP-08-17) shall not exceed 5,000 gallons per day.
- E. Washington Administrative Code (WAC) 173-150 provides for the protection of existing rights against impairment, i.e. interruption or interference in the availability of water. If the water supply in your area becomes limited your use could be curtailed by those with senior water rights.
- F. The approval of this division of land includes no guarantee that there is a legal right to withdraw groundwater within the land division. The approval of this division of land provides no guarantee that use of water under the groundwater exemption (RCW 90.44.050) for this plat or any portion thereof will not be subject to curtailment by the Department of Ecology or a court of law.
- G. Lot 4 of the Kohl Short Plat shall be served by the existing well.

### **III. Archaeology & Historic Preservation**

- A. No disturbance or development of the site shall be undertaken by the property owner until an archaeological consultation has been completed with the Yakama Nation, which may include the requirement of a professional archaeological study for the subject property. Proof of this required consultation shall be provided to Community Development Services prior to final approval.

### **IV. Light and Aesthetics**

- A. All outdoor lighting shall be shielded and directed downward to minimize the effect to nearby residential properties.

### **V. Noise**

- A. Development and construction activities shall comply with KCC 9.45 (Noise) and shall occur between the hours of 7:00am and 7:00pm to minimize the effect of construction noise on nearby residential properties.

### **VI. Utilities and Services**

- A. The applicant shall consult with the local school district and provide for and depict on the final mylars a safe location for a school bus stop.
- B. All future development shall comply with the International Fire Code (IFC) and its appendices.

### **VII. SEPA Review**

This MDNS is issued under WAC 197-11-350. The lead agency will not act on this proposal for 15 days. Any action to set aside, enjoin, review, or otherwise challenge this administrative SEPA action's procedural compliance with the provisions of Chapter 197-11 WAC shall be commenced within 10 working days (on or before 5:00 PM, Thursday, August 14, 2008).
