

FINDINGS OF FACT

Firkins Short Plat

File Number SP-08-00055

Pursuant to RCW 58.17.195, the Kittitas County Community Development Services Department formally establishes the following Findings of Fact:

1. The Firkins Short Plat (SP 08-00055) has satisfied all current subdivision and zoning requirements. This short plat has been reviewed and approved in conformance with the Kittitas County Subdivision (Title 16) and Zoning (Title 17) Codes.
2. A notice of application for the Firkins Short Plat (SP 08-00055) was mailed to adjacent landowners located within 500 feet of any portion of the boundary of the proposal's tax parcel. Notice was given to and published in the official newspaper of record for Kittitas County, and notice was posted to the Kittitas County Website, all in conformance with the Kittitas County Project Permit Application Process (Title 15A)
3. The applicant has demonstrated to the satisfaction of the County Environmental Health Director the availability of potable water supplies. Metering and recording of water withdrawals is required.
4. The applicant has demonstrated that sewage disposal will be provided by individual septic systems.
5. The applicant has demonstrated to the County Public Works Department that the access provisions are in the interest of public safety and general welfare.
6. A statement indicating the County's intent to approve this short plat, together with a reduced photocopy depicting the lot configurations and proposed acreage was mailed to known adjacent property owners and parties of record on March 4, 2009.
7. Kittitas County Community Development Services Department completed a Critical Areas Review. No critical areas were identified on this Short Plat.
8. The property lies within the Kittitas Reclamation Irrigation District. The property owners shall adhere to the general requirements of the Kittitas Reclamation Irrigation District.

Administratively approved short plats must be recorded with the County Auditor and shall not be deemed approved until officially filed.
