Jeff – KVFR has the following input for the Hansen Short Plat – 13-00007 when development occurs:

1. Addressing for both lots will need to be clearly visible from both directions of travel on the address road.
2. Access will need to comply with Appendix D of the applicable IFC.
3. Water supply will need to be addressed at the time of construction.
4. It is likely that the Wildland Urban Interface Code will be applicable at the time of construction.

Thank you
