

Memo

To: Kaycee Hathaway, CDS

From: Holly Myers, Environmental Health Supervisor

Date: 11/07/14

RE: SP-14-00003 Sullivan SP

Please use the following comments for this project:

It is our understanding from application documents that the project intends to use:

- Snoqualmie Pass Utility District for water and sewer services

Therefore; prior to final plat approval, KCPHD requires the applicant provide a signed letter of agreement between the public water system purveyor or official (Snoqualmie PUD group A Water System) and the land developer/owner granting the delivery of potable water for the entire development.

PLAT NOTES:

The final plat note shall include the following statement:

“The approval of this land division does not guarantee there is a legal right to withdraw ground water”
