Vantage has sufficient connections to allow this additional water connection.

Thanks,

Ms. Hathaway:

I would like confirmation on what system is providing them water, because we do not have a "District 6" in our records. Perhaps Holly knows of this system?

Thanks,

The applicant has verbally confirmed that they have water and sewer hook ups. I can contact them asking for additional information about whom they receive their sewer connections from if you would like.

Ms. Hathaway:

DOH wants confirmation regarding any water service for the 3 lots. The text on the submittal on Page 3 of 3 of the Short Plat Application states "3 lot short plat with services provided by Kittitas Co Water District 6". Are they receiving water from Kittitas Co Water District 6?

DOH does NOT have a record of a water system named "Kittitas Co Water District 6" or any other reasonable variation of this (such as spelling out "Co").
