Mr. Watson:

This application appears to be splitting an existing property into two (2) properties. DOH has two comments, both regarding drinking water:

1. Specifically for this application, two properties using either a single exempt well or two, individual, exempt wells is not within the jurisdiction of DOH.
2. If the larger property is further subdivided, DOH considers ALL properties, including any and all parcels made from the 49 acre parcel and the 2.78 acre parcel, to be a single "project". For a single "project", DOH expects the Department of Ecology and/or Kittitas County Health to view as a single "project" and require all drinking water to be provided by a Group A or Group B public water system.

Thanks,

Russell E. Mau, PhD, PE
