Kittitas County has issued a Notice of SEPA Action DNS for the Baker SEPA Application (SE-15-00009). Please see the attached Notice of SEPA Action & DNS document. Agencies within the county network may review the application file via the T-drive. Agencies outside of the county network can view the file documentation by following this link: <http://www.co.kittitas.wa.us/cds/land-use/default.aspx> (Miscellaneous SEPA Applications) and navigating to the appropriate file number. This file will be updated as the application progresses.

This DNS is issued under WAC 197-11-350; the lead agency will not act on this proposal for 15 days. Any person, affected tribe, or agency may submit comments to the lead agency within 15 days of the date of issuance of the DNS. Kittitas County Community Development Services shall reconsider the DNS based on timely comments and may retain or modify the DNS or, if the responsible official determines that significant adverse impacts are likely, withdraw the DNS or supporting documents. If the DNS is modified, the lead agency will send the modified DNS to agencies with jurisdiction. Any agency with jurisdiction over this proposal, upon review of this DNS (WAC 197-11-340) may, within the fifteen (15) day comment period, transmit to the initial lead agency a completed "Notice of assumption of lead agency status."

Written comments from the public may be submitted to the Kittitas County Community Development Services no later than October 1, 2015 at 5:00 p.m. If you have any questions, please contact our office at (509)962-7506 or lindsey.ozbolt@co.kittitas.wa.us. Staff Planner: Lindsey Ozbolt.
