**Notice of SEPA Determination  
Kittitas County Groundwater Permit SEPA  
(SE-16-00002)**

NOTICE IS HEREBY given that pursuant to WAC 197-11-340, Kittitas County Community Development Services did on March 31, 2016 issue a Mitigated Determination of Non-Significance (MDNS) for the Kittitas County Public Health Department's groundwater permit for water budget neutral water right permits for building permit applicants within the Kittitas County Water Bank green zones of the Yakima River Basin. The proposal includes committing up to 149.6 ac-ft/year of water (52.2 ac-ft/year consumptive) from the County's interests in the Amerivest, Williams, Roth, and Clennon Water Banks (Water Rights Agreements CS4-01676sb5d@2, CS4-01553sblla, CS3-01968sblla) to offset the consumptive water use associated with new water right permits issued.

The lead agency for this proposal has determined that mitigation for the proposed use is required to meet Total Water Supply Available on the Yakima River as measured at the Parker stream flow gauge. The applicant has identified 149.6 ac-ft/year of water to offset flow impacts to the Yakima River and its tributaries within the proposed green zones. Further adverse environmental impact associated with unmitigated domestic uses in the Yakima Basin is diminishment of water supply and habitat for ESA-listed salmon and bull trout. The County's mitigation via trust water right holdings in the County water bank offsets these impacts. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030 (2)(c) and WAC 197-11. This decision was made after review of a completed environmental checklist and other information on file with the lead agency.

Pursuant to KCC Title 15 & WAC 197-11 the lead agency will not act on this proposal for 15 days. Any person, affected tribe, or agency may submit comments to the lead agency within 15 days of the date of issuance of the MDNS. The lead agency will then: retain, modify or withdraw the decision. The complete checklist and associated documents may be viewed at Kittitas County Community Development Services 411 North Ruby St, Suite 2 Ellensburg, WA 98926, or on the county website. <http://www.co.kittitas.wa.us/cds/land-use/default.aspx> (Miscellaneous SEPA Applications).
