Hi Erin.

I am following up on the SEPA Checklist you sent over a few weeks ago (Treat Trust Water Transfer) for CDS to process the Notice and decision on. I had left you a couple of messages on 1/12/18 and on 1/19/18 asking for exhibits A and B as referenced on page 2 of the checklist for the location of the proposal. Once I receive these exhibits I should have enough information to make a determination and begin the publishing requirement. There is no hurry on my end, but since I haven't heard anything, I thought I better follow up in case you didn't get my phone messages.

Let me know if you have any questions.

Thanks,
