Mark

Attached is the response from the Love's Truck Stop consultant in regards to your comment memo dated 11/26/19. In order for CDS to make a SEPA determination we need to know what the conditions will be. At this time we need more information from you as to whether or not this response satisfies your concern regarding "truck trip generation" or if we need to condition a new traffic study with the SEPA determination.

Best,

Lindsey Ozbolt
