Dear Kelly Bacon:

Subject: Brown and Jackson SEPA Application (SE-20-00003)

I am a homeowner that will be directly affected by the approval of this SEPA request and this project and I am writing to voice my objection to its approval.

I have lived on this property for 15 years and this is the first I am hearing about this project that will have dire affects on my family's well-being, our health, our water quality, and the value of our property. I am extremely disappointed that it appears that this permit application was being fast tracked and cloaked in only a bureaucratic notification process with no discussion with the property and homeowners adversely affected by this project.

I strongly urge you to deny this application until you can have a full discussion with the impacted property owners and/or consider another location.

Sincerely,

Bill Grady
