Subject: Notice of Application SE-20-00006 Immer

Good morning,

CDS is requesting comments on the following SEPA application SE-20-00006 Immer. The SEPA application is in association with a previously noticed Variance application VA-20-00006 Immer. Through the comment period it was determined that bank stabilization would be required, therefore triggering SEPA. Links to the file materials can be found below. The comment period will end December 28, 2020 at 5pm. CDS will assume your agency does not wish to provide comment if not received by this date. Links to the file materials can be found below. Please contact me directly with any questions or issues accessing the materials.
