Attention: Kelly Bacon, Planner

Subject: SE-20-00010 - Immer
I-90 milepost 53.65 left

We have reviewed the proposed project and have the following comment.

The subject property is in the vicinity of Interstate 90 (I-90), an existing facility with a posted speed limit of 65 miles per hour. The proponent should be aware that they are developing in an area with existing traffic noise. They should also expect that traffic noise may continue to grow into the future. If the proponent is concerned with traffic noise affecting this development, it is their responsibility to dampen or deflect it.

Thank you for the opportunity to review and comment on this proposal. If you have any questions regarding this letter, please contact Jacob Prilucik at (509) 577-1635.

Sincerely,

Paul Gonseth, P.E.
Region Planning Engineer
