Good Morning,

Kittitas County CDS is requesting comment on the SEPA application SE-21-00005 Ahlers. This is a re-notice of a previous request for comment. There was some confusion as to the scope of the project which caused the last request for comment to be withdrawn. It has since been confirmed that this project is not associated with any other project. Below are links to the application materials. Please submit any comments by April 28, 2021 at 5pm. CDS will assume your agency has no issues with the proposal if we do not receive comments by this time.

Please send all comments or clarifying questions to Kelly Bacon at the email address below.

"Building Partnerships-Building Communities"

Please Note: In an effort to mitigate the spread of COVID-19 and the Governor's "Safe Start" reopening plan, Kittitas County Community Development Services is currently in Phase 3 and is open to the public in a limited capacity. At this time many of us are on a rotating schedule working from home and in the office; during this time I will do my best to respond to you as promptly as possible.
