RE: Ahlers (SE-21-00005)

Attn: Kelly Bacon

Ms. Bacon, I am reaching out in support of this application.

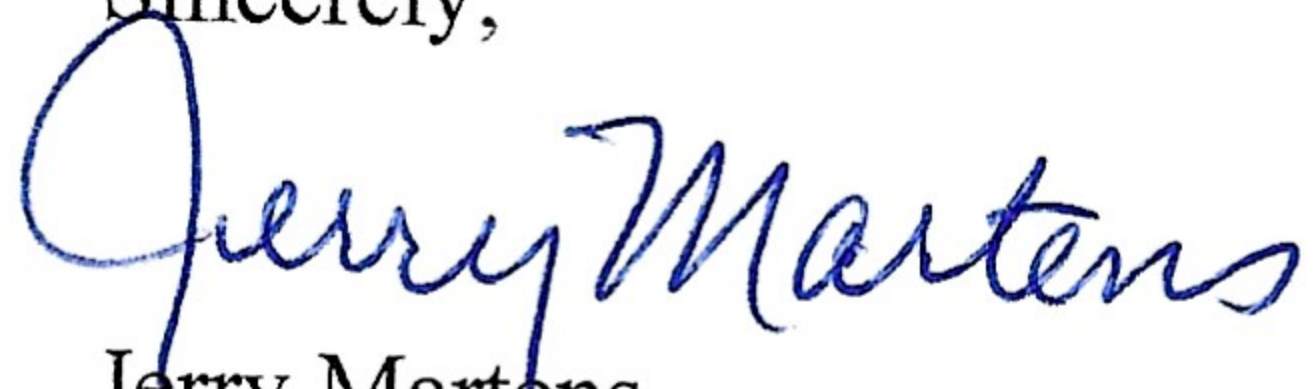

I have reviewed the information on-line and see nothing that should preclude or prohibit this use or this location under the zoning and land use in place.

I should mention that I am an adjacent land owner of parcel #956671.

Our area is experiencing unprecedented growth in both the upper and lower county, in our city and rural areas. We need to encourage and promote businesses and the services that business provides and growth will require.

While the proposed use is for business storage, hopefully this will transition into buildings and services in the future. While it is a small step, it is a step in the right direction.

Sincerely,

Jerry Martens
