Good morning Trav,

In review of the grading permit and the SEPA Checklist, it appears there are more parcels included in the project in addition to the eight parcels listed on the grading permit. The SEPA checklist does not include the tax parcels associated with the project. Please update the SEPA checklist number 11 to include all tax parcels associated with the SEPA application.

I am hoping to notice the application on Tuesday, so long as I have all the information necessary prior to 2pm today.

Thank you,

Kelly Bacon
