Good morning Kelly,

Appreciate the opportunity to comment – so regarding the Haase SEPA, our forester (Marty Mauney) let the project proponent know of the need for an approved Class IV-General Forest Practices (FPA), prior to taking actions on the ground. Mr. Haase previously had a standard Class III FPA for conducting timber harvest, and now he wants to convert a portion of his property to non-forestry. We (DNR) will anticipate receiving a FPA in the near future from Mr. Haase, and we will conduct additional field review prior to our decision.

Best regards,

*Shane*
