Good morning,

CDS is requesting comments on the following SEPA application: **SE-22-00061 Bell**. Links to the file materials can be found below. Kittitas County anticipates issuing a DNS for this project application and is using the optional SEPA process found in WAC 197-11-355. This may be the only opportunity to comment on the ecological impacts of this project. The comment period will end **Friday, August 19, 2022 at 5p (PDT)**. **CDS will assume your agency does not wish to provide comments if not received by this date and time.** Comments submitted beyond this date and time **will not be considered**. Please contact me directly with any questions or issues accessing the materials.
