Good morning,

CDS is requesting comments on the following SEPA application: SE-22-00064 –McCauley-Watson. Links to the file materials can be found below. Kittitas County anticipates issuing a DNS for this project application and is using the optional SEPA process. This may be the only opportunity to comment on the ecological impacts of this project.

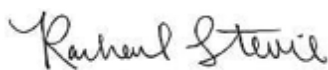

The comment period will end Wednesday, September 14, 2022 at 5pm. CDS will assume your agency does not wish to provide comment if not received by this date. Please contact me directly with any questions or issues accessing the materials.

**\*\*Please note, my last day with Kittitas County will be Tuesday, September 6, 2022. After that time, please send comments for this project to [jeremiah.cromie@co.kittitas.wa.us](mailto:jeremiah.cromie@co.kittitas.wa.us). Thank you\*\***
