Good morning,

CDS is requesting comments on the following SEPA application: **SE-23-00009 Nelson View**. Links to the file materials can be found below. Kittitas County anticipates issuing a DNS for this project application and is using the optional SEPA process. This may be the only opportunity to comment on the ecological impacts of this project.

The comment period will end **Monday, May 8, 2023 at 5pm**. CDS will assume your agency does not wish to provide comment if not received by this date. Please contact me directly with any questions or issues accessing the materials.
