Re: Berg Setback Variance, VA-09-00013

Dear Mr. Watson:

After conducting a review of the above named project, I have the following comments:

- All future development must comply with the International Fire Code and Kittitas County Code.
- Ensure that any structure hereafter erected does not encroach on neighboring structures, tanks, etc.

This letter in no way constitutes a formal review of this project. The requirements listed above are not all inclusive and are subject to change pending full review of this project. Any questions or concerns regarding fire service features may be directed to the Kittitas County Fire Marshal's Office. 509-962-7657.

Sincerely,

Brenda Larsen
