Hey Rachael,

The parcel is serviced by Snopass for both water and sewer. There will not be a well nor a septic system on site. Here are some attached documents. Let me know if you need anything else.

Thanks and have a great day!

Good morning,

Can you please verify if your parcel is served by Snoqualmie Pass water and sewer? And if not, whether you have well and septic and their locations.

Thank you!

Rachael,

I have looked through the application material and can't find where it states that the project will be served water and sewer by the Snoqualmie Pass water and sewer district but I assume it is. Do you know?

I know the deadline is Friday and wanted to comment. Thank you,

Holly
