Thanks Jeremiah,

I believe it would not be a problem for you to conduct a site visit at your convenience, the property is vacant. (The owner Jeremy Malsam, copied on this email, should not have any issue with you doing a site visit).

Question for you, Looking over the comments, Regarding the survey, do you need added showing the entirety of the Access easement info or new survey updates in order to complete the variance process?

Let me know on this when you have a chance.

Thanks

Chandler Stever Architect

Good morning,

Please see the attached correspondence regarding your variance application. I have mailed a hard copy as well.

I would also like to request a short site visit to look at the property and take a couple photos. Is there a time that would work best for that in the next few weeks?

If you have any questions, feel free to contact me directly.

Thanks.
