Hi Josh,

I spoke with our permit techs and they are going to hold onto the applications you sent and await the additional \$500.00 check to cover all of the fees. I apologize for the inconvenience, as I mentioned on the phone KC Public Works updated their fees after I sent you the application. You can mail the check to the address below. Be sure to include a note that explains that the \$500.00 check is to cover the remainder of the fees for Variance file number VA-21-00006. Once we receive the check I will assign the application to a planner and begin processing.

Let me know if you have any questions. The check should be sent to:
