Good morning!

I'm super sorry to bug you about this, but if I want to get the decision noticed for this application on Thursday, I need to send the notice to the paper by today at 5pm.

I can't issue the decision until I know PW requirements are satisfied.

Sorry and thank you!

**Subject:** VA-21-00007 Frees - Question for Plan Review Team

Hello!

At the beginning of the month, we were provided comment for Frees setback variance. One of the comments stated "Applicant is required to provide information on how the property line/right of way was determined". The applicant has since provided us with a Topographic Survey (attached). I just wanted to verify that this survey satisfies the requirement.

Thank you!
