Water System Name (check with purveyor if unknown): _____

Please initial the following statements

_____ I hereby certify that the information provided is accurate and I understand that if the project description should change that it is my responsibility to inform Kittitas County. I understand that if the project changes it may require different and/or additional requirements.

_____ By signing this application, I understand that approval by Kittitas County only verifies my intent and that it does not guarantee that there is a legal right to waters of the state, or that the pre-existing water source meets state or local requirements for potability and/or quantity for the proposed use. As the applicant, I assume all risk in its entirety and agree to indemnify defend and hold Kittitas County, its departments, elected and appointed officials, employees, and agents, harmless from and against any and all claims, damages, losses and expenses, including reasonable attorney's fees, for any bodily injury, sickness, disease, or death, or any damage to or reduction in value of property including the loss of use resulting therefrom which are alleged or proven to be caused in whole or in part by a negligent act or omission of its officers, directors, and employees. As the applicant for a building permit, I understand that I am legally and financially responsible for ensuring there is a legal right to the water to be used, and that all water supply systems are engineered, designed, and constructed in accordance with federal, state, and local requirements.

Property Owner/Authorized Agent Signature: _____ Date: _____

***The adequate water supply determination approval remains valid only if the facts asserted and governing law do not change, and expires within (1) year of issuance, or the life of the associated active building permit, whichever is later and has no force or affect thereafter.
