13-03	KCC Title 17 Allowed Uses and Definitions	Revise, delete and add definitions in KCC 17.08 and amend portion of the allowed use tables in KCC 17.15	Kittitas County Staff	CDS	Approve

Kittitas County Community Development Services proposes amending portions of KCC 17.08, Definitions, and KCC 17.15, Allowed Uses, to accomplish the following:

1. Permit Accessory Dwelling Units and Accessory Living Quarters in the Forest & Range zone within LAMIRDs.
2. Allow refuse disposal and recycling as a Conditional Use in the Urban Light Industrial zone within the UGA.
3. Amend the home occupation footnote associated with the Rural Non-LAMIRD Use Table to distinguish between daycares that are permitted (6 or fewer individuals) and those that require a Conditional Use Permit (7-12 individuals).
4. Introduce a definition and assign appropriate review processes to govern small-scale event facilities (aka “party barns”).
5. Define “parks and playgrounds” and “trails.” Add trails as distinct use on use tables.
6. Add a “recreational vehicle park” definition and distinguish from campgrounds. Add RV parks as distinct use on use tables.
7. Clarify indoor and outdoor recreation use definitions; remove the term “commercial.”
8. Add review process and footnotes to “warehousing and distribution” use to address hay storage buildings.

In regard to the proposed review process for small-scale event facilities (AC or CUP), it should be noted that Docket Item 13-04 includes amendments to provide an Administrative Conditional Use Permit (AC) process. When it comes time to prepare an implementing ordinance, any changes to the Kittitas County Code will be based on the Board’s ultimate decision on the combined docket items.
