

KITTITAS COUNTY
DEPARTMENT OF PUBLIC WORKS

AGENDA STAFF REPORT

AGENDA DATE: June 7, 2011

ACTION REQUESTED: Set a Public Hearing on June 21, 2011 to consider amending fees collected by Public Works Department, Community Development Services, and the Fire Marshal.

BACKGROUND: Fees for Public Works Department (PWD), Community Development Services (CDS), and the Fire Marshal were amended in 2010 and amendments to these fees are being proposed. The PWD's new 2010 fees have been reviewed and staff finds the full cost recovery for Road Standards Variances is less than the adopted fee and will be proposing a reduction of that fee. CDS has three permit applications without established fees: Intervening Ownership applications, Shoreline Exemption applications, and Title Elimination applications. CDS will be proposing fees for these applications. The Fire Marshal is also proposing fees for new permits including emergency repair to bridges, permanent repair to bridges, and revision to fire systems.

This public hearing is being requested to consider amending these fees.
