

## CERTIFICATE OF COST PER DEPUTY

This is to certify that I have reviewed the cost per deputy plan submitted herewith and to the best of my knowledge and belief:

(1) All costs included in this proposal, dated January 1, 2017, to establish a billing rate for the cost per deputy for 2017 are allowable in accordance with the requirements of the Federal award(s) to which they apply and the provisions of this Part. Unallowable costs have been adjusted for in allocating costs as indicated in the cost plan.

(2) All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the Adopted Budget and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently and the Federal Government will be notified of any accounting changes that would affect the pre-determined rate.

I declare that the foregoing is true and correct.
