RE: Resolution 2010-4; A Resolution Annexing Certain Real Property into Fire Protection District No. 6

John-

I received Resolution 2010-4, requesting annexation. Even though the resolution states "Whereas, on or about February 3, 2010 the Board received petitions, signed by certain **qualified registered electors** of the real property proposed to be annexed", it also states "Whereas, in accordance with RCW 52.04.031, the annexation petition was filed with the board of fire commissioners of Fire Protection District No. 6, signed by **the owners of** at least 60% of the area of land...", and since those signing the petitions are not registered voters within the area of interest, I am therefore forwarding the resolution, along with the signed petitions, to the Assessor, who processes annexation requests regarding property ownership.

If you have any questions, please don't hesitate to contact either Marsha or myself.

Sincerely,

A handwritten signature in cursive script that reads "Sue Higginbotham".
